Options and Notes

This dance has been choreographed for a Tango Workshop that builds the foundation of Michael and Regina Schmidt's *Un Tango Del Cuore* and some knowledge of *Just a Tango* by the Childers.

Part A	6-7	Back Rocks may be done with contra actions as described above as option. This is the preferred option by choreographer. The contra action may be left out to reduce complexity for Tango beginners.
Part B	8	Closed Ending: I cue it as as „ Closed Ending to PU “ to make sure dancers arrive at a good starting position for the Diamond Trn and do not end up in CP DLW. To reduce complexity for Tango beginners it may also simply be cued as „ Pickup “ (without „Closed Ending“).
Clsd Finish		Closed Finish starts in CP or contra BJO with a step back for the man and ends in CP. Amount of LF Trn may vary.
Clsd Endg		Closed Ending starts in SCP with a forward step for the man and moves from SCP to CP exactly like the last three steps of a Closed Promenade.
